4YFN BARCELONA AWARDS WINNER 2019:

Nanolock (Israel)

“ We at Drapers Esprit have been thinking about how we invest in wider Europe and specifically in Spain... And 4YFN sitting alongside MWC is a fantastic way for us to connect with the Spanish ecosystem. ”

Vinoth Jayakumar
(Investment Director)
Draper Esprit

“ I think 4YFN is THE place to be if you are in any kind of startup or in a technological company because within 3 days you can meet so many people, so many interesting people that want to invest in startups regarding technological aspect so this is definitely the place to be if you have a startup. ”

Francesca P.
(Lead Project Manager)
Antiloop Studio

“ After three intense days working, walking, drinking and talking with many people at 4 Years From Now we are really excited about what we have learned, shared and discovered and really excited about Xside in February 2020. ”
